Filling:

- 6 cups of peeled and sliced apples
- 2 tablespoons tapioca
- 1 teaspoon cinnamon
- 1/2 teaspoon nutmeg
- 3/4 cup sugar
- pinch of salt
- 2 tablespoons of butter

Directions:

Mix all of the ingredients in the apple pie filling above, except the butter.

Prepare the bottom crust and place it in your pie dish. Add the filling mixture. Top with the butter.

Top with the crust, add some slits, and crimp the edges as desired. See my best pie crust recipe for more instructions. Cover the edges with foil. Bake at 425 degrees F for 30 min, then remove the foil and bake for another 10 min. Remove from the oven and allow it to cool before serving.
